

check_collisions

```
graph LR; A[check_collisions] --> B[corewar]
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow. The left box is filled with a dark gray color and contains the text 'check_collisions'. The right box is white with a black border and contains the text 'corewar'. The blue arrow points from the right side of the gray box to the left side of the white box.
